

AUGUST 2023

Over 70 young people will be riding and doing horsemanship at Horse SenseAbility each week this fall!

Horse Tales

We had 2 fabulous weeks of Horse Tales where participants learned all about horses from caring for them to riding them to reading about famous equines in history.

MGH Aspire

On Thursday, July 27th, 11 preteens from MGH's Aspire program spent a day on the farm. These young people helped with barn chores, groomed the horses and interacted with our other animals including the goats Myrtle and Willie Nelson and our rabbit Johnny Cashew.

ACCEPT Education Collaborative

On Friday, July 28th, our pony Hugo visited the ACCEPT Education Collaborative in Natick.

Because the weather was steamy, Hugo was invited indoors where it was air conditioned.

When Hugo does an indoor visit, he always wears his "sneakers" so he doesn't slip and or scratch the linoleum floors.
