

JULY 2024

Guess what Diesel wanted for his birthday?
Hint: It begins with an H, ends with a Y and has an A in the middle.

Pippin Picasso?

Our intrepid volunteer Lauren recently tried a new art activity with Pippin. She put a piece of heavy paper with dabs of paint in a Ziploc bag. Then she coated the outside of the bag with molasses and applesauce. Pippin eagerly licked the treat, making a masterpiece in the process!

Hugo Aces the Test

Every 2 years, Hugo and Polly are re-evaluated by the national Pet Partners organization to renew their certification as a therapy team. They passed with flying colors, earning the highest rating possible. Great job!

Point32 Rides Again

Once again, our friends at Point32 helped us clean up the farm before summer programs begin. This year they brought 29 eager volunteers who did the equivalent of over 3 months of full-time work for Horse SenseAbility!

New Medical Form Policy

Starting this summer, school physicals will be accepted as annual medical form updates for **current participants**. New participants will still need to provide our custom [Horse SenseAbility Physician Statement](#).
