Help Needed

We need a few extra hands (and hearts!) to help prepare our Fall Appeal notes in early November. It's a fun, easy way to make a big impact!

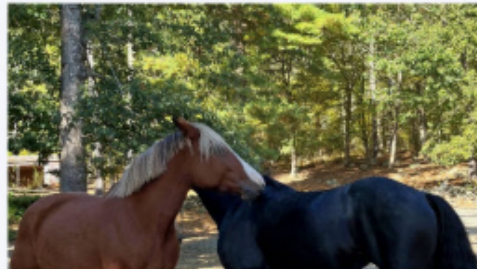

We'll provide all the supplies and

snacks! You just bring your favorite pen, your energy and (maybe) a friend.

I'm happy to help!

Sam & Ritz's Debut

Sam and Ritz spent many days in the show ring this September and have the ribbons to prove it!

Volunteer Spotlight

Jess just celebrated her 3rd anniversary of volunteering here at Horse SenseAbility.

Jess' favorite is Johnny Cashew. She cleans his abode and pampers him every week.

With her scientific mind, Jess also makes up each horse's unique blend of grain when she comes.
