

SEPTEMBER 2024

Former Horse SenseAbility instructor Cindy helped Polly celebrate her birthday by going for a lovely trail ride

Calli Hits the Road

Polly adopted Calli off the racetrack when she turned 7 years old. Now, 18 years later, Calli is heading south to [Shadowfax Farm](#) in Virginia for her well-deserved retirement.

Join us in wishing Calli well as she romps with new buddies and our other retiree Dazzle in 50-acre grass paddocks for the rest of her years.
