

NOVEMBER 2024

There are NO LESSONS from Tuesday 11/26 - Sunday 11/31

Millie is ready for Thanksgiving!

Super Spooky Success

Twenty children--most wearing costumes--rode in our show on 10/26. Everyone did a great job, including our horses!

Happy Birthday to Hugo

On Sunday, November 10, our friend Hugo will turn 14. For such a little guy, he has a big presence here at the farm. Whether he's introducing himself to someone who's nervous about horses or being led by a child who needs to practice walking, Hugo is on the job.

Did you know that Hugo and Polly are a registered Pet Partners team? That means they can go out and about to visit young people who would benefit from hanging out with Hugo. Way to go, Hugo!

2025 Calendars Are Here!

We have a limited number of calendars featuring the Horse SenseAbility menagerie available for purchase this year. At \$25 each, they make a great gift!

You can also order custom t-shirts, sweatshirts and baseball caps with our logo on it for the holidays. Place your orders in our [online shop](#) before November 20th.

A Day in the Life of Sam

Sam at age 8 with our former instructor Cindy

- 7:30 am Feed grain & hay to horses

Our Own Star

Our participant Kristin and her favorite horse Glory were featured in a video by Pathway to Possible!

Medical Forms

Every year we require an updated medical form for each program participant. We are now accepting school physicals for this purpose. Please scan or send a photo of your child's form to Polly at pk@horsesenseability.org by December 31, 2024.

Upcoming Events

11/26-12/1 Thanksgiving Break
12/21 Fall Term Ends
