

NOVEMBER 2022

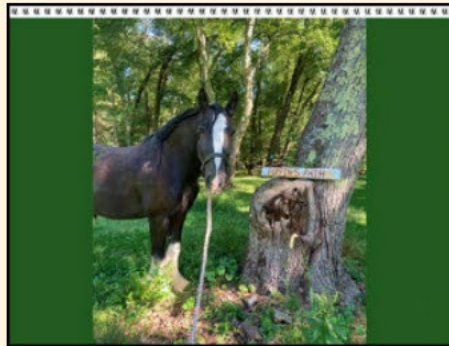

Calli, our former racehorse, knows Julia must move slowly and deliberately with her walker. No matter how much energy Calli has on a given day, she stays right by Julia's side and goes at her pace.

On the Road

Horse SenseAbility is proud to announce a recent grant from the **Edith H. Overly Foundation Trust** to purchase a trailer for use in equine emergencies. While we hope to never need it, having a vehicle to transport our horses to the hospital is an essential piece of equipment for a center like ours.

Diesel's Tooth Fairy Fund

Diesel is depressed...he's just learned that he needs to another tooth pulled! Diesel will be heading to Ocean State Equine Associates in North Scituate, RI on Monday 11/28 to have the procedure.

The estimated total cost including recovery will be \$2500 so we've started a Tooth Fairy Fund for Diesel. Will you be an angel and help him out?
