

AUGUST 2024

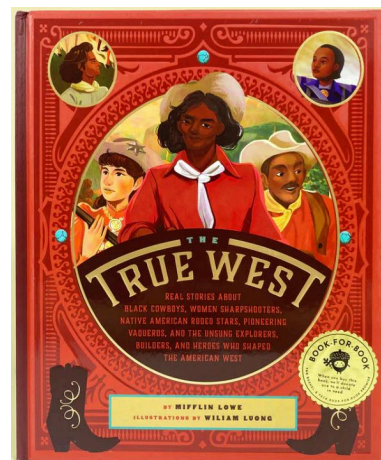

Summer is in full swing at Horse SenseAbility!

Horse Tales

We had 2 fantastic weeks of Horse Tales in July. In addition to riding and horsemanship, participants learned all about famous horses with extraordinary talents.

At the end of the week, each child took home a copy of *The True West*, a book with stories of Black cowboys, women sharpshooters, Native American rodeo stars, pioneering vaqueros, and other heroes who shaped the American West.

A special thanks to [Bushell & Peck Books](#) for giving us 24 copies of this fabulous book.

City to Saddle

For the 6th year in a row, Horse SenseAbility is offering 2 sessions of its week-long City to Saddle summer camp this month. In addition to riding, horse care and farm fun, the children are enjoying a variety of craft projects and games.

Horse Days of Summer

You've probably heard of the "dog days" of summer but what about the "horse days" of summer?

On hot and humid days, Hailey can often be found slumbering in her stall while waiting for her next lesson.

Polly's Birthday Bash

All Polly wants this year for her birthday on September 3rd is gifts to Horse SenseAbility.
