

JUNE 2024

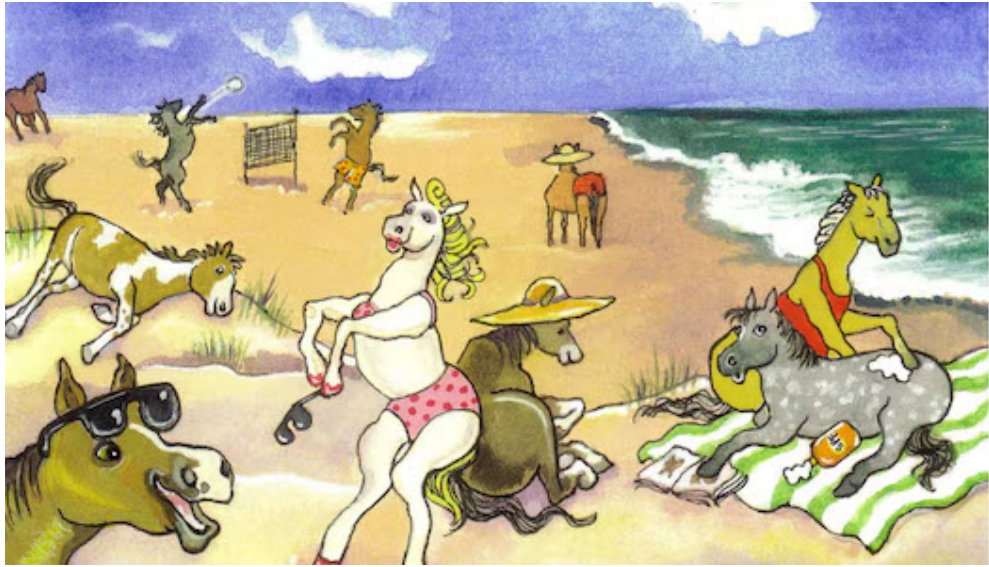

And a good time was had by all!

Our First Horse Show

On Saturday, June 1st, Horse SenseAbility held its first ever horse show. Twenty-three participants of all ages and abilities showed off their skills in the ring for friends and family. Each participant went home with a smile, a ribbon, feedback from the judge and an ice cream courtesy of our very own student John of [John's Dream Ice Cream!](#)

We're Ready for Summer!

Artist: Tyler Humphreys

Got your bathing suit and beach towel ready? We have a full schedule of riders, including 5 newcomers, lined up for summer lessons plus 48 more who will attend our Horse Tales and City to Saddle programs.

Our Friends at Liberty Mutual

On Friday, May 10th, employees from Liberty Mutual once again donated their time to help us do spring cleanup on the farm. All told, their community service contribution saved us 40 hours--a whole week--of work!
